# 32-Hour Online EEO Investigator Certification Training

Learn at your own pace from instructors with over 75 years of Federal EEO experience

## About the Course

- **Self-paced** . Our online Learning Management System (LMS) is available 24/7.
- **Comprehensive Training Manual.** Upon registering, you'll be able to download our manual which covers all aspects of conducting Federal sector EEO investigations.
- **Access to Instructors.** One downside of online training is that you can feel you are on your own. Our instructors are an email away to support you in your quest to become a certified EEO investigator.
- **Multiple Training Modalities.** Each module has reading assignments, presentations, and exercises designed to reinforce the major learning points.
- **Personalized Feedback.** An instructor will grade each of your assignments. You'll receive feedback and support.

## About Our Instructors

- **Former Federal EEO practitioners.** Each of our instructors have spent the majority of their careers in the Federal government. They have extensive experience managing the EEO complaint process.
- **Trained over 200 EEO Investigators.** Our instructors have trained over 200 investigators over the course of their careers. We believe that an instructor should also serve as a coach and mentor throughout the training process.
- **Unique Insight.** We have built our course around our experience in the Federal sector processing thousands of EEO investigations. You'll find our insight will give you an advantage once you obtain your certification and begin conducting EEO investigations.
